

Wings As Eagles Ministries Policies, Practices, Procedures  
P.O. Box 207 Caputa, South Dakota 57725

- All teams stay at the Dream Center site camp style. You may bring your own tents/RV or sleep inside the warehouse portion of the new building for spring/summer 2011. All should bring bedding, towels and cot or sleeping bag. Alternate sleeping arrangements are Rapid City which is about 1 hour to the site, each way, if needed. Meals are provided by Wings As Eagles Ministries, your team must provide a cook and kitchen helpers each day for your team to prepare meals and clean up in kitchen. We do ask for a few team members to be assigned for clean up each day, bathroom, grounds, and sleeping area, for this is the teams responsibility. Also the water is not acceptable for drinking, we recommend bringing bottle water, which you may purchase when you arrive Rapid City. Snacks and beverages are the responsibility of the team.
- Construction skilled teams are very useful at this time. Supplying your own tools for the project is helpful.
- You will be contacted within a few weeks as we assess ministry needs and coordinate scheduling for your team based on availability. Dates will be scheduled for WAEM to visit your church and for your teams training upon registration at an agreed time.
- A non-refundable registration fee is required of \$100.00 per team member with your application forms and release form. A WAEM t-shirt is included in the registration fee. Extra t-shirts and sweatshirts are available if ordered 45 days prior to your arrival. T-shirts- 15.00 Sweatshirts- 25.00. (see order form enclosed.)

\*WAEM would like to engage in a relationship with your church and Pastor before the team or individual is engaged in native ministry with WAEM. We would like the opportunity to visit your church and develop a relationship/partnership in unity and vision. A training orientation will be available for your team 60 days prior to your teams arrival. You need to schedule that orientation by email to **Lori McAfee** [wingsaseaglesmin@earthlink.net](mailto:wingsaseaglesmin@earthlink.net)

We look forward to being a blessing to your team as you help serve the native people!
