## Stories from the Pine Ridge Indian Reservation

**DREAM CENTER CLEAN UP AND REMODEL IN 2020!**

**BUSY MONTH SOME GREAT TEAMS TO HELP!** What a great time to do all of the updates after years of thousands of kiddos, families and teams. Thank you all for believing in us to stay the course and to be able to stop and do some much needed updating. Cafeteria coming this spring in Jesus Name! Thank you for making all this possible, love you!

**This is a project, we pray that you will come on board to help complete! So we are printing it again and again.. Thank you to all who have given!!!**

**Indoor Cafeteria** is vital at the Dream Center. Since 2008 we have fed the children and families outside at our little pavilion.

Feeding hundreds of children in the summer rains, winds and winter storms have been challenging.

Our hope is many will come on board this project to see the cafeteria built in 2020. The ministry has a really good start with several churches who have begun the planning and fund raising efforts. We do need many more to join in! Those of you who have served with us over the years knows the importance of this facility to provide wholesome meals year round.

Many times we have fed the families and homeless outside even in winter. With temps below 20 degrees, families have waited in line to have a hot meal, which gets cold quick!

If you would be interested in helping with fund raising in your area and with your church please email us for more information.

Partners and friends if you would like to give to the cafeteria project you can give for one complete square foot including appliances. You will be recognized on a beautiful plaque attached to the new building! It will consist of a basement, bathrooms and full kitchen and will seat 250. Give a completed square foot for 350.00.

We love and appreciate you.

All that has been accomplished has been because of your support and the Lord's help!

The cafeteria will feed thousands for years to come! Love you!

The ministry is seeking work teams for the months of September and October. If your church, woman's group, men group, youth group or organizations who would like to serve in 2020 we need you. Most mission trips canceled this past spring and summer and with fall approaching this is a great opportunity to come and be a part of creating the Dream Center remodel for 2021!

There is lots of painting, tiling, light construction, some skilled work for electricians, plumbers and carpenters. Please consider us, we appreciate all the help we can get! If you are interested please email us:

wingsaseaglesmin@earthlink.net and we will give dates, more information and projects to be completed.

The Cafeteria is coming next spring in Jesus Name!! Let's have the Dream Center all fresh and ready to go for 2021! The updating is a blessing to be able to accomplish. Thank you for being there to support the ministry!

We love and appreciate you all for the love and financial blessings that make all of this possible. We will see His Glory continue at the Dream Center and hope and pray we stay the course the Lord has for all of us for these precious forgotten families and children who are not forgotten by you and Jesus. We pray for each and every one of you daily for your health and to prosper in all things.
