Happy New Year!

Christmas was an amazing blessing for the children. You all out did yourselves this year! Thank you so much to all of you who made Christmas special for these little ones and the Lakota families! Enjoy the pics!

Christmas was in the streets at Potato Creek as well at the Dream Center! Three days of Christmas and giving all the Glory to Jesus for all He has done. Love each of you! Could not have accomplished so much without you all!

Let's GO 2016!

Hot chili dinner was served to all the families each night! They ate by the campfire in the cold but had fun! Hopefully an inside cafeteria can be built for them soon!

Lakota Youth Trip to NYC

Yes, I am doing this! Some of these teens and more will be heading on a trip of lifetime. They have been invited to speak about their lives on the rez and be ministered to at Times Square Church in Manhattan, David Wilkerson founded Times Square Church. There will be 14 youth guys and girls between the ages of 13-18. They will be guests of some of our sweet partners on Long Island who will be hosting the teens with lodging, meals and fun stuff to do. Many of these youth have never been off the rez and all of them never on a plane. The trip is planned Feb. 18th – 22nd. with the teens attending a special Friday night teen rally and pizza party in their honor at Times Square Church.

By FAITH we put the deposit down on their airline tickets!! The only way to fly...!! We have to raise another 4,000.00 to complete the air travel.

These kids need this hope. We have worked with many of these teens since they were very young. We have seen them through suicide attempts, hopelessness, despair and in and out of school. They are living lives in the most despairing conditions with an environment of drugs and alcohol daily. But they are making it!! Thank you God, they are still with us and still holding on to Hope. We know that this trip will help them even more to see what they can accomplish and give them hopes of even greater dreams! They will also be touring NYACK University and seeing first hand that hard work has rewards. Keep them in your prayers and this trip of a lifetime to change a life. Help if you can, God Bless you! ~Lori

Note from a partner:

As a missionary for the Wings As Eagles Ministries/Circle of Love mission, I have noted that many of the children on the Pine Ridge Indian Reservation don't get to experience what most children get to experience. No class trips, no mission trips, no family vacations, etc. I personally brought back with me to Missouri, two Lakota young men, from the ministry, for Christmas. Their experiences were unforgettable for them (plus the impact that they had on us). They experienced a family Christmas, going to church, learning about how people make money with their talents, the St. Louis ARCH and old cathedral, MU basketball game to name a few activities and most important the love freely given by them and others. It is through the impact of this experience that I support Wings as Eagles taking 14 young teens to New York. I believe this will give them HOPE and encouragement--they deserve that! This trip will be a life changing experience for them. Will you please help! Give as much as you can afford to give, it will be appreciate! The only thing needed for this trip is airfare! The rest will be given by the love and caring of others in New York. I'm starting this campaign with a challenge of \$100, but anything will be appreciated.
