Stories From the Pine Ridge Indian Reservation

ROSEBUD RESERVATION, SD

Feeding the Nations through our partnership with World Vision and the USDA.

Farm fresh foods going to the reservations we serve. The ministry has stayed active bringing the love of Jesus and much need supplies in a much bigger way through this ugly pandemic.

Our outreach got bigger with the open doors the Lord provided. All because we are still on this journey with you all, you did this, we did this!

This is a project, we pray that you will come on board to help complete! So we are printing it again and again.. Thank you to all who have given!!!

Indoor Cafeteria is vital at the Dream Center. Since 2008 we have fed the children and families outside at our little pavilion.

Feeding hundreds of children in the summer rains, winds and winter storms have been challenging.

Our hope is many will come on board this project to see the cafeteria built in 2020. The ministry has a really good start with several churches who have begun the planning and fund raising efforts. We do need many more to join in! Those of you who have served with us over the years knows the importance of this facility to provide wholesome meals year round.

Many times we have fed the families and homeless outside even in winter. With temps below 20 degrees, families have waited in line to have a hot meal, which gets cold quick!

If you would be interested in helping with fund raising in your area and with your church please email us for more information.

Partners and friends if you would like to give to the cafeteria project you can give for one complete square foot including appliances. You will be recognized on a beautiful plaque attached to the new building! It will consist of a basement, bathrooms and full kitchen and will seat 250. Give a completed square foot for 350.00.

We love and appreciate you.

All that has been accomplished has been because of your support and the Lord's help!

The cafeteria will feed thousands for years to come! Love you!

So many good things have happened since March from our renewed partnerships, our ability to be amazingly relevant during the pandemic, to being honored to bring Jesus in the darkest of times to thousands. We have been able to make a difference through your giving and our partnerships more than ever before! Not only with food but also **22 shipments of household goods and new furniture** going to three reservations. The impact of that has been huge! Never before has the Oglala Sioux Tribe been more willing to assist the ministry, assist at the Dream Center and even PRAY at the Dream Center!!!! God always has a plan and a way so much higher than we can ever imagine it's hard to put into words these last few months.

The Lord NEVER gives up and keeps us on our toes, even when it looked so bleak in March. Confusion, not seeing the summer clearly, what to do? what to do? Then HERE CAME GOD! He said take My hand and I will open doors you can't imagine. HE DID!!

The best summer ever when He does the work. So far in the last three months we have received **42 semi shipments of 33,000lbs, 28 pallets each shipment! Giving to three reservations, making paths for the Gospel and giving Jesus all the Glory.**

Not only did we accomplish all of this together, with your help, but the stories from tribal leaders keep coming in. One story just to give you an example of how far this reaches, the Northern Arapaho Tribe said they had families that are not native travel from 6 different towns in Wyoming to the reservation to get food. Some traveling 2 hours. The tribal leader said it was cool that they can help other families as well as their own. The whole Northern Arapaho team expressed their gratitude! Now how cool is that?
